

GSK

INSIGHT DAY
**WOMEN
IN ENGINEERING**

Friday 27th September 2024
GSK Barnard Castle
10:00 – 14:00

International
Women In
Engineering
Day

#INWED2024

We are looking for year 10-13 girls, currently studying STEM subjects who are interested in exploring the world of engineering

You can

- Take part in interactive activities on our pharmaceutical manufacturing site
 - Broaden your engineering knowledge
 - Find out more about career opportunities
 - Meet inspirational female role models

Please complete application form to attend by July 12th.

Advocate. Engage. Develop.
