

STEMFEST

Delivered by
RTC
inspiring growth

30th June - 1st July 2027 | Connexin Live, Hull

STEMFEST is returning in 2027 for another year of exciting, hands-on, interactive activities.

Delivered by RTC North, Coordinated by the STEM Hub, the event will take place over 2 days, 30th June - 1st July 2027, at Connexin Live, Hull.

STEMFEST aims to encourage and inspire young people from Yorkshire & Humber schools in STEM subjects, and will be open to groups from statefunded schools in: Primary - Years 5 & 6 and Secondary - Years 7 & 8

This year, RTC North will bring together over 10,000 young people and hundreds of innovative companies across our STEM events in Yorkshire & Humber and the North East. It's a unique opportunity for schools, teachers, sponsors, and exhibitors to connect, inspire, and shape the innovators of tomorrow.

The Exhibition

The event will involve around 60 local companies delivering hands-on activities, showcasing the wide range of careers and job roles available in the STEM sector in the region. Businesses will be invited to deliver fun, interactive sessions relating to their industry. Around 2000 young people aged from 9-13 years from the regions schools are expected to attend the event. The face-to-face event will be held at Connexin Live, Hull and will be split into zones such as: Space & Travel, Technology, Sustainability & Wellbeing, Manufacturing & Engineering.

No school will be charged for attending the exhibition.

Sponsorship

If you're a Yorkshire & Humber company in the STEM sector, this is a chance to highlight your work, support young people into better careers, and strengthen local industry. Whether you want to showcase your achievements, help guide future talent, or tackle workforce challenges, this event is for you.

With PR and marketing opportunities from launch to exhibition, it's a fantastic way to raise your profile and get noticed.

Headline sponsorship package

The Headline sponsorship package is an exclusive opportunity and will offer your company maximum brand exposure before, during and after the event. The Headline sponsor will receive prime branding and placement on all marketing materials associated with the event and continuous brand exposure in the run up to, during and after the event via press releases, photo opportunities and across social media channels.
